Press Release

MecSoft Announces Support for SolidWorks 2012

Irvine, CA, November 3, 2011:   MecSoft Corporation, a global leader in mid-range CAM software, announced today support for SolidWorks 2012.

"As a Gold Certified CAM partner, MecSoft is committed to supporting the most recent version of SolidWorks," stated Joe Anand, President and CEO of MecSoft. "With our most recent service release, VisualMILL for SolidWorks is fully certified to run inside SolidWorks versions 2008 thru 2012."

VisualMILL for SolidWorks users can download the most recent service pack via MecSoft's VisualServe software licensing portal.

About MecSoft Corporation

Headquartered in Irvine, California, MecSoft Corporation is a worldwide leader in providing Computer Aided Manufacturing (CAM) software products for the small to mid-market segments. These products include VisualMILL®, VisualXPORT for Inventor®, VisualMILL for SolidWorks®, RhinoCAM™, Alibre CAM® and VisualTURN®.   The software delivers powerful, easy-to-use and affordable solutions for users in the custom manufacturing, rapid tooling, mold making, aerospace, automotive, tool & die, woodworking, and education industries.
